# Our Team

## Leknath K Atriya

Founder & CEO  
Sr. Event Coordinator

I have been involved in the travel and event management industry for more than 15 years, working with numerous clients and partners including individual travellers, corporates, travel agents, hotels, etc. I founded The Mines Travels in August 2016. My vision is to set up a travel & hospitality infrastructure in India and Southeast Asia, and build a trustworthy foundation with the clients and partners in the tourism & hospitality sector.

## Manjurima R Atriya

Co Founder & HR  
Assistant Event Coordinator

My interest in hospitality & travelling industry led me to co found The Mines Travels with my partner. I have always believed that travelling & hospitality should be a hassle-free experience where all the things are taken care of in order to enjoy the fullest and that is what we strive for with The Mines Travels.

# Our Team

**Eshanku Kakoti**

**Head of Sales & B2B Consultant**

I am an Engineer by profession and an Entrepreneur by passion. I have always loved to interact with people and travel to new places, explore them, and understand the people and their culture. Being a part of The Mines Travels helped me to align my interests and profession into one.

**Manjit Baishya**

**Head of Operations & Destination Consultant**

Working in a travel & event management company which is purely focused on giving the joy of travelling to fellow travellers catered to their preferences is a dream come true for me. As a part of The Mines Travels team, I have been able to provide valuable insights directly to make the experience a our clients memorable one.

# Our Team

## Debashish Borah

Destination Associate Partner

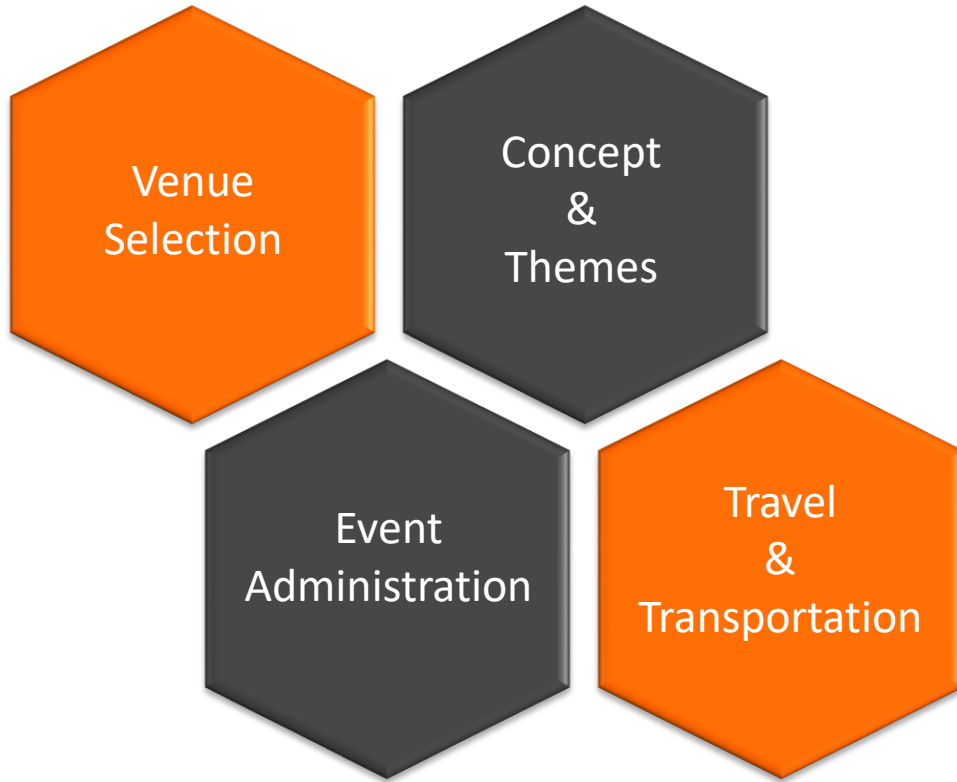

Being a part of The Mines Travels helped me enter the travel industry, and I was fascinated by how it works, where all the entities involved work like the connected parts of a well-oiled engine. Being the part of that machinery, we put our best efforts for the smooth operation of the same. I believe a traveller should not worry about the journey, let that be handled by us because we derive joy from that.

# Our Clients

# Client Testimonials

*“This event was extremely important due to the seniority of clients and business being conducted. All details had to be perfect to create the desired atmosphere and they were thanks to the assistance of THE MINES TRAVELS The team were by my side the entire time from the planning stages until the final airport departure.”*

– Sanjeev Verma, OLA Cab

*“THE MINES TRAVELS team were extremely professional and thorough from start to finish and was a delight to work with. Nothing was ever a problem, no matter what we asked for. We will certainly look forward to working with you again and will definitely recommend you for future business.”*

– Natraj, Carthero Technologies Pvt. Ltd.

*“THE MINES TRAVELS team were absolutely wonderful throughout and always managed to make feel like I was their only client even though I know that’s not the case! I felt that they always had our (Lumax) best interests at heart and were unfailingly supportive and helpful.”*

– GS Daiya, LUMAX Auto Technologies

# Client Testimonials

*“I couldn’t let another moment go by without officially thanking the THE MINES TRAVELS team for planning such a fabulous trip for IDBI , Bali . You made me look so good every time you went that “extra mile to accommodate our guests - from the moment we arrived to the moment we left - and did those miles add up, I’m sure. We look forward to working with THE MINES TRAVELS in the future.”*

– Tapas Mandal, IDBI

*“The weekend package was taken from The Mines Travels for 9 & 10 July 2022 by Mr.Manjit. Mr.Manjit has provided good service in our budget. We have enjoyed the trip to Shillong and Cherrapunji. They have provided very comfortable cab with polite & courteous driver Mr. Jitender. Mr. Jitender was always ready help you. The hotel provided was also neat, clean and nice. The staff of the hotel had given good service. I will recommend The Mines Travels.*

– Sweta Verma
